## Road Open To Tamarack Flat April 1, Kelly

Summit To Be Cleared By April 15, Says Director

Barring unforeseen contingencies, the Lincoln highway east of Placerville will be cleared of snow to Tamarack Flat by April 1 and will be cleared over the Echo summit by April 15.

This is the word brought from Sacramento Tuesday afternoon by a delegation representing resort owners, members of the Placerville Ski Club and members of the El Dorado County Chamber of Commerce, who met Tuesday morning with Earl Lee Kelly, director of public works.

The appointment was arranged at the request of the chamber of commerce by Senator A. L. Pierovich and Assemblyman Jesse Mayo, who were in attendance. Members of Sacramento civic bodies attended the meeting and gave the El Dorado County delegation their support.

Among those present were William Boucher, secretary of the Sacramento Region Advisory Council of the state chamber of commerce, George Spelman, Don Civitello, Arthur Dudley, secretary of the Sacramento chamber of commerce; Curtis Cutter, J. J. Jacobs, Chairman Henderson of the Sacramento road committee; and A. H. Murray, Arnold Weber, M. E. Raber, George Faugstad, Adolph Martin, Ernest Van Harlingen, Floyd Poole, and James Burnett, representing various El Dorado County organizations.

Mr. Kelly pointed out to the visitors that the past winter has been a very severe one and has put the state to extra expense in road maintenance.

He gave assurance, according to the delegation, that providing no unusual snows are encountered, the highway will be cleared to Tamarack Flat by April 1 and open to Lake Tahoe by April 15.

Some new equipment will be placed on the road during the coming summer and an attempt will be made to keep the road open to Tamarack Flat next winter, looking forward to making an all-year road when a standard grade is obtained.

Mr. Kelly assured the committee that he intends the road to be in first-class shape for the great surge of travel expected to enter California for the 1939 exposition at the San Francisco Bay.

The evening was spent playing games followed by the serving of delicious refreshments at which time the honor guests were presented with several pieces of silverware with appropriate remarks by Mrs. Henry Robinson.

Those present included Messrs and Mesdames Harvey Lyon, Henry Robinson, Arthur Mart, Fred Carpenter, Emmett McGrath, Elwin Clark; Mesdames Ida Bailey, Mary J. Fisher, Florence Dames, William Rust, E. ## Mrs. Hartwick Taken Monday

Services On Thursday For Beloved Church Worker

Mrs. Corinne Gillette Hartwick, 37, wife of Charles W. Hartwick and his associate in missionary work in California and Hawaii in the service of the Seventh-Day Adventist church, passed to her reward on Monday at St. Helena.

The announcement of her death came as a great shock to her many friends in this county, since only a few of her intimates and members of her family know that she was ill.

The funeral services will be on Thursday at 2 o'clock from Memory Chapel, L. K. Dickinson, president of the Northern California Conference of the Seventh-Day Adventist church, will have charge. Interment will be at El Dorado cemetery.

Mrs. Hartwick succumbed to a sleeping sickness which was a complication following a recent attack of influenza. Born in Modoc County, Mrs. Hartwick was a graduate of Pacific Union College at Angwin, where her husband also was graduated.

Following their marriage, they entered the mission field of the Seventh-Day Adventist church, of which Mr. Hartwick is a minister, and spent six years in Hawaii, Mr. Hartwick being the mission director for the church on the island of Hawaii.

Mrs. Hartwick assisted him in his work, being successful as a song leader and in her work among young people.

Mr. and Mrs. Hartwick returned to the mainland in August of 1935 and were assigned to the Marysville district, Mr. Hartwick being in charge of the area including Marysville, Yuba City, Gridley, Arbuckle, Willows and Woodland, and Mrs. Hartwick assisting him in his work.

In addition to her husband, Mrs. Hartwick is survived by a daughter, Charline, aged 4 years, by her parents, Mr. and Mrs. C. E. Gillette of El Dorado and by three brothers, Glen, Frank and Basil Gillette, all of this county.

## Pittman Act Attacked By Sen. Johnson

Bill Would Force U. S. Into Alliances, He Declares

WASHINGTON (UP)—Senator Hiram W. Johnson, R., California, champion of "freedom of the seas" bitterly attacked "cash and carry" provisions of the Pittman neutrality bill in a senate speech today.

He reiterated charges voiced earlier by Senator William E. Borah, R., Idaho, that enactment of the bill would force the United States "to become an ally of Great Britain on the Atlantic and of Japan on the Pacific" because those nations possessed the strongest navies.

Johnson and Borah are chief sponsors of an amendment which would remove from the measure a provision that participants in an international or civil war would be required to pay cash for American goods and transport them from U. S. ports in their own ships.

Senator Key Pittman, D., Nevada, chairman of the foreign relations committee and sponsor of the bill, opposes the amendment and predicted his measure would be passed "substantially unchanged."

## ASSEMBLY FIGHT ON PENAL CODE CHANGE IS SEEN

By GEORGE E. HELMER  
United Press Staff Correspondent  
SACRAMENTO (UP)—An intensive fight was forecast in the California Assembly today as members prepared to act upon a penal code amendment which would lighten the penalty for conspiring to commit any crime listed as a misdemeanor.

Supporters of the measure stressed the fact that the bill would prevent authorities from bringing felony charges against sit-down strikers who conspired to trespass. Opponents, however, held that the amendment not only would benefit sit-down strikers, but might even destroy the most effective weapons society uses against organized crime.

The present law provides for conviction on a felony charge of anyone guilty of conspiring to commit a crime, even if the crime is only a misdemeanor. The amendment would change the penal code to provide that no one convicted of conspiring to commit a crime could be given a sentence greater than that meted out for actual commission of the crime.

## PEAR COMMODITY COMMITTEEMEN ARE RE-ELECTED

James A. Irving was re-elected a member of the Bartlett pear commodity committee and Lee Veerkamp was re-elected a member of the Winter Pear commodity committee, at a meeting of pear growers under the 1937 Tree Fruit Agreement, held Tuesday evening at the high school auditorium. About 40 growers attended.

H. B. Murphy was named alternate on the Bartlett committee and Clarence Wilkinson was named alternate on the winter committee.

Representatives of the Giannini Foundation, the Agricultural Adjustment Administration and the California Tree Fruit Agreement were present and addressed the meeting.

## ELECTION ON BONDS CALLED

Proposed Auditorium Site Considered Ideal

Formal action calling a special election in Placerville school district on a proposal to vote \$40,000 in bonds for additional class rooms and a school auditorium, was taken at a meeting of the school board on Tuesday night.

Legal papers in the case had been prepared by Attorneys Henry S. Lyon and Robert E. Roberts and the action of the board Tuesday night made the call for the election official when the signatures of board members were affixed to the papers.

The site for the proposed auditorium is considered ideal by the members of the board, who point out that ample parking space is available in the near vicinity. Steps will connect the auditorium, to be erected at the east end of the present grammar school building, with Union Street, where parking is available.

Parking space will also be available on the grammar school play area, and on Cottage and Circus Streets, in the near vicinity of the building.

In addition to this promise of general utility for the auditorium, the board has the additional opportunity to include under the same roof, three class rooms and a manual training department, which will relieve congestion in the now over-crowded school building.

## Smith Flat Cemetery Improvement Mapped

A meeting of those interested in the Smith Flat cemetery has been called to be held Wednesday night, March 10, at 7 o'clock at Fossati's hall.

The meeting will consider the election of trustees for the cemetery, and the development of plans for improving the plot.

Announcement of the meeting is the outgrowth of an earlier meeting on the subject at which there were present Mr. and Mrs. Fred Spicer, Mr. and Mrs. M. G. Baalke, Charles Hughes, Chester Hughes, Charles Fossati, Mrs. Jessie Stevens and Mrs. Margaret Ward.

## Islam Temple Will Give Circus Mar. 13

Shriners in all parts of Northern California will join with Islam Temple in sponsoring a great indoor circus in San Francisco for nine days from March 13 to 21, according to Potentate Don C. Elliot.

San Francisco's Civic Auditorium is to be transformed into a five-ring circus and all the atmosphere of the "Big Top" will be re-created in a big way.

Miss Margaret Atkins was a visitor on Wednesday at Sacramento.

## Lions Accept Bid To Tour

Service Club Goes To Richmond Mar. 30 For Meeting

Placerville Lions at their meeting Tuesday noon accepted the invitation of the Ford Motor Company to visit their Richmond assembly plant on Tuesday, March 30.

Lion President Barker will name a committee to have charge of arrangements for the excursion.

The Ford Motor Company extended the club an invitation to meet at the Richmond plant on that day to inspect the plant. Other features are planned by the Ford Motor Company for the day and among them will be an auto tour of the San Francisco-Oakland region, taking in the new bridges.

Reports on the recent activity in behalf of the Community Junior Hall fund showed that the Lions had raised the amount of their pledge, \$250, for the Junior Hall fund.

## CRAIG OUSTER HEARING WILL BEGIN MONDAY

SACRAMENTO (UP)—California legislators will begin the second week of their spring session Monday by conducting a hearing on a joint resolution asking for the removal of Appellate Justice Gavin W. Craig, who is serving a year's sentence for conspiring to obstruct justice in the Italo Petroleum case.

Judge Craig was moved here from the Ventura County jail and lodged in the Sacramento County jail pending the hearing. He will be given a chance to defend himself before a meeting of the two legislative houses.

## Shakespeare Club To Trim Shrubbery

The members of the Shakespeare Club held their regular business meeting Tuesday afternoon. In the absence of the president, Mrs. A. A. McKinnon presided. Reports were given by the officers and chairmen of the various sections. New business was then taken up and it was voted that the club, through the garden section, would have the shrubbery around the clubhouse trimmed and put into shape. Mrs. H. P. Brown and Mrs. S. Speers announced a plan to raise money for the club. It is their suggestion to resume the chain card party idea. They are hoping for the fullest co-operation of the club members.

Mr. and Mrs. Guy Benson were in town Wednesday from Somerset.

## Bartletts To Play At Home On April 18

Lincoln Here; Season Opens April 11 At Roseville

First game for the Bartletts in the 1937 Placer-Nevada League schedule will be April 11 at Roseville, and the "at home" season of the Bartletts will open the following Sunday, April 18, with Lincoln coming here to play at Marcus P. Bennett, Jr., Memorial Park. (Weather man please note).

Schedule for the league, as printed in the adjoining column, was adopted Monday night at the annual meeting at Auburn at which W. A. Shepard was re-elected president and A. G. "Scoop" Thurman, secretary.

The league adopted the Wilson ball as the official pellet for the circuit and debated loud and long about changes in the by-laws to permit a limited number of non-resident players to participate on each club.

This virtually puts the league in the "semi-pro" class and by a vote of the league Colfax is entitled to as many as six outside players. Loomis as many as four and the other clubs are eligible to play two outside players.

Monday night's meeting had Al Prince, Ernie Scheiber and Manager Aubrey Warren in attendance for the Barts.

Warren reports the first practice held Sunday brought a fare turnout and the prospects are that the Barts will have a club to be reckoned with in the league this year. Roderick, former Roseville hurler, looks like a probable Bartlett this year and there's a mighty good chance that Reginald Jackson will be in a Bartlett uniform again.

Dave Weir is hereabouts, Jack Warner, San Juan high school coach, may be in the lineup and in addition, the regular roster for last season is reported as in the field.

Manager Warren is dickering for a game right away, if not this Sunday, then next Sunday, and we'll have a chance to see the Bartletts in action. When the club takes the field this year, they'll have new uniforms all around, presented with the compliments and good wishes of the Russell J. Wilson Ford and Lincoln Zephyr agency.

## ARBITRATION IN LABOR STRIKES GAINS STRENGTH

By UNITED PRESS

A prediction of union leaders that the entire steel industry and its 525,000 workers would be unionized without resorting to strikes or violence today spurred peaceful arbitration efforts across the nation's strike front.

Government arbitrators interviewed in deadlocks between workers and employers in Providence, R. I., and Groton, Conn., and a strike affecting 3500 workers at the Motor Products Corporation plant in Detroit—one of three new sit-downs in the automobile industry—was settled.

Secretary of Labor Frances Perkins sent a federal conciliator to Providence, to rush a settlement of the strike of 200 truck drivers. Conferences of drivers' union leaders in Massachusetts and Connecticut indicated that the strike might spread.

Wage and hour demands were ready to be presented to the Chrysler Corporation, employing 67,000 workers, by the automobile workers union.

## English Visitor To Speak Next Tuesday

The Travel section of the Shakespeare Club will meet Tuesday at the clubhouse with Mrs. M. P. Bennett and Mrs. S. Speers as chairmen. The speaker for that day will be Miss Margaret Cameron of Middleton, England, whose talk will be on home conditions and government. Refreshments will be served by Mrs. Speers and her committee.

Harry Steneberg left Tuesday evening for a visit of several days in the Modesto and Fresno vicinities.

### "PIRATING" BY MAJOR SCOUTS DRAWS PROTEST

LOS ANGELES (UP)—A blast against major league scouts "haunting" high schools to sign up promising youngsters, prematurely was dispatched to Judge Kenshaw M. Landis today by President W. C. Tuttle of the Pacific Coast baseball league.

Tuttle wrote a letter to the baseball commissioner reading in part: "If it is not corrected I am very much afraid that baseball will be doomed in our high schools and eventually in colleges. This situation deals with the practice of major league scouts haunting our high schools and college baseball parks, ready to sign any youngster who might show some ability."

## PARADE OF SPORTS

By HENRY McLEMORE  
(United Press Staff Writer)

DAYTONA BEACH, Fla. (UP)—Given a pint of ether, straight or blended, I would cheerfully drink it to gain release from this aching body of mine. I became a red-headed animated ache when I, a rookie with the St. Louis Cardinals, worked out for two hours with them yesterday.

Manager Simon Legree (he uses Frankie Frisch as an alias) did things to me that haven't been countenanced in civilized countries for two centuries. I would have openly rebelled but for the fact that less than 24 hours before I had signed with Sam Breadon a contract to try out as a rookie with his Cardinals. The contract calls for fifty cents a day and bus fare to and from the park. I should have held out for ambulance fare and pulmotor privileges.

But when I signed the contract, or death warrant, I didn't know that the rigors of baseball had increased so much since I was a regular with the Statesboro high school Tigers 15 years ago. When we had a game coming up the only preparation we needed was 10 minutes of catch and a few grounders. Friend Frisch, however, seems to believe that a man is not ready to give of his best to the game of baseball until definite signs of rigor mortis have set in.

The first thing Frisch did to me was to make me put on a rubber suit. I hadn't had on an outfit like that since I was two, and it didn't help my poise one bit. Over that I was forced to put on a heavy flannel jacket, and over that a regular St. Louis uniform with Cardinals flying all over the bosom of the shirt. In temperature, I was a blood cousin to a hot water bottle when I walked out on the field.

When the other players were ordered by Frisch to jog four times around the field, I sat down on the bench and lit a cigarette, thinking how nice it was that I, a newspaperman, wouldn't have to jog with them. "Hey rookie," Frisch called, "four times around for you, too."

At the end of the fourth lap I could have been dished out of my rubbery suit and served for jello, without even the most critical jello connoisseur knowing the difference. I did not suffer alone. Joe Medwick passed three crosses on the third lap, Leo Durocher took the pledge on the second lap and Mickey Owen's eye balls rolled in supplication.

Frisch, who said he was at the park early, and already had done his four laps alone, immediately ordered infield practice. He assigned me to shortstop, Durocher to second, and went to third himself. If I say so myself, it made a sweet infield combination. Frisch to McLemore to Durocher. Durocher to McLemore to Frisch. Later it was changed to Durocher to Frisch to chance, it being a fifty fifty chance that I would miss the ball.

For a few moments I was the old McLemore. The darling of Statesboro, the young Hans Wagner. However, with the first ball hit in my direction I became the old McLemore. I might go so far as to say I became the old, old McLemore. As the ball came to me I went down and threw to Durocher at second with the same motion. I threw nothing because I had stopped nothing.

"Butterfingers," Frisch encouraged. "Busted fingers," under my breath. For the ball had driven my wedding ring finger practically into my elbow. But I didn't flinch, for I remembered that I was a member of the Gas House

Gang. From that time on every fibre, every nerve, every ganglion, ached to such an extent that I was semi-conscious. I vaguely remember getting my bus fare from Mr. Breadon and hearing the jeers of my team mates as they taunted me with:

"Betcha don't show up tomorrow, rookie."

"So you can't take it, eh?"

"Back to Peoria for you, Mac." But the Gas House flame is alight within my heart, and I shall go out tomorrow and win my spurs, if only so that I may have something on my heels to kick Frisch with.

## PROMPT TRIAL IS SOUGHT IN CHILD MURDER

MAR DEL PLATA, Argentine (UP)—Civil authorities are seeking a quick trial today for Jose Gancedo, confessed kidnaper and slayer of 2-year-old Eugenio Pereyra Iraola, Argentina's "Lindbergh baby."

Gancedo, an itinerant ranch worker, cannot be executed as there is no capital punishment in Argentina. He probably will be sent to Ushai prison, in bleak Terra Del Fuego, on the southernmost tip of the country, for life, police said.

His stubborn silence broken by more than 100 hours of police questioning, Gancedo confessed that he kidnapped the child, heir to one of Argentina's greatest cattle fortunes, and smothered him by holding a hand over his nose and mouth when he cried from fright.

## TWO OPERAS IN SACRAMENTO ON MONDAY, MAR. 15

SACRAMENTO—"Grand opera for everybody" has been for more than a quarter of a century the slogan of the San Carlo Opera Company, which comes here to the Sacramento Memorial Auditorium for a double bill offering on Monday night, March 15, when the company presents "Cavalleria Rusticana" and "Il Pagliacci."

This is the third consecutive season the San Carlo has brought grand opera to the music lovers of the Sacramento valley. Now on its 27th annual transcontinental tour, the company has been received with the greatest audiences in its history.

The performance to be given in Sacramento will be with the same cast of principals, chorus and symphonic orchestra as that used in the War Memorial Opera House in San Francisco, where this was one of the featured attractions of a 22 performance season.

There will be only the one performance this season in Sacramento. However, Tom C. Gorton, under whose local management the company will appear here has given an assurance of a longer stay next season in the event the music loving public evidences a desire for more than one performance.

Tickets for the engagement are on sale at Sherman, Clay & Co., 914 K Street, Sacramento.

## "Armistice" Order In Steno's Strike

OKLAHOMA CITY (UP)—The sit-down strike of Fern Rodolph, 18-year-old blonde stenographer, was compromised today. Instead of a \$10 a week wage increase to buy new spring clothes, for which she sat on a pillow in her employer's office, she got a vacation.

Her boss, Adolphus E. (Dynamite Ed) Perry, Sand and Gravel Company president, said he had sent her home a few days to think things over. He might give her a raise later, he said, but he would not give in immediately and possibly be responsible for starting an outbreak of stenographers' strikes over the country.

Walter I. Bidstrup, prominent stockman of the Logtown district, was in town, Wednesday.

## LILY PONS HAS MAJOR ROLE IN MUSICAL COMEDY

This rollicking comedy Thursday and Friday at the Empire Theater, concerns the tribulations of a noted French opera diva, who balks at a marriage of convenience and follows a handsome young American orchestra leader overseas to the United States to encounter many unlooked for adventures.

Miss Pons renders the aria from "The Barber of Seville," "Tarantella," a "swing" version of "Blue Danube Waltz" and three original numbers by Arthur Schwartz, Jack Oakie also sings an original number.

Leigh Jason directed "That Girl from Paris" for RKO Radio Pictures.

## MUSSOLINI REVEALS FORMULA FOR KEEPING FIT FOR WORK

By WEBB MILLER

United Press Staff Correspondent

ROME, (Copyright, 1937, By United Press)—Premier Benito Mussolini described today the methods of life which permit him to work from 12 to 14 hours a day and maintain his health under the unremitting strain to which he has been subjected as head of the Italian government for more than 14 years.

"Out of my organism I have made an engine constantly supervised and controlled which runs with absolute regularity," he said.

Probably no post-war leader has undergone such intense and constant mental and physical activity and responsibility over so long a period. Yet Mussolini today, nearing 55, is bursting with vitality and has not lost a day's work from illness since 1925.

His written answers to the questionnaire follows:

Q.—Do you follow a fixed diet and if so what? A.—My rules of diet are fixed in the sense that I am almost exclusively vegetarian.

Q.—Do you make use of alcohol or tobacco? A.—I consider alcohol damaging to the health of individuals and to collective health. I am not against the moderate use of tobacco but as far as I am concerned, I never drink hard liquor. I sometimes drink a little wine at official dinners but since the World War I have never smoked.

Q.—What foods do you prefer? A.—I eat only simple dishes such as the peasants prefer, and much fruit.

Q.—Do you take tea or coffee or any stimulating drink? A.—I do not take tea or coffee but sometimes drink an infusion of linden leaves or tilleul. For those who labor physically, the moderate use of wine is useful.

Q.—How much time do you devote to exercise daily, and to what? A.—I devote 30 to 45 minutes to exercise daily, and practice nearly all sports. I prefer swimming in summer, skiing in winter and horseback riding every day. All mechanized sports are familiar to me—bicycling, motorcycling, automobile and flying—and I also enjoy hiking. Though my dueling days are

## GOPHER HAS NO REGARD FOR U. S. AGRICULTURE OFFICERS

By FREDERICK C. OTHMAN  
United Press Staff Correspondent

WASHINGTON (UP)—Secretary of Agriculture Henry A. Wallace opened a new kind of battle today against the ubiquitous gopher and all his cousins, his uncles and his aunts, which even now are beginning to thumb their purplish noses at federal authority.

Instead of giving cash bounties for their scalps, Wallace announced that he would pay western farmers under his soil conservation program 15 cents, cash, for every acre of land from which they cleared 90 per cent of the pocket gophers residing there.

He offered six cents an acre for 90 per cent of the ground squirrels and seven and a half cents for the same percentage of prairie dogs and it looked like the bookkeeping might get pretty complicated before the war progressed much further.

One of the troubles seems to be that a gopher doesn't give a gosh darn about whose farm he honeycombs with his intricate system of subways. A gopher will travel underground from one acre to another, it develops, without any consideration whatever for the agriculture department.

## SIT-DOWN STRIKE FOR WIDOWS SCHEDULED TO START APRIL 1

CHICAGO (UP)—Mrs. Nellie Brooke Stull, chubby protector of middleaged love, today ordered a mass sit-down strike of 1500 widows on April 1.

"We believe," she said, "that every woman is entitled to a man and a home. We demand the right of collective bargaining in romance."

Mrs. Stull, vivacious national president and founder of the Widow and

Widowers' Club, asserted that the date —"All Fools' Day"—was mere coincidence.

"In two weeks," she said, "we'll sweep the country. Already we're thinking of organizing a men's auxiliary."

"If we get enough men, we'll call off the strike and call in a minister."

"I got this idea one day at lunch," she said.
